

To: All bidders

Ref:- Procurement of 110 Motor Bikes Two per Project Woreda's to Support O&M  
 Of Water Supply Facilities. RFB No: ET-MOWE-391305-GO-RFB

Subject: Clarification Number 2

It is to be recalled that we have requested Ministry of Transport and Logistics by letter Ref. No MoWE 087/01/199 dated on 12 March 2024 for possibility of amendment on standard specification following the request of some bidders.

However, still we couldn't get official response from the Ministry of Transport and Logistics. Therefore, the MoWE sticks to the standard specification as per the previous issued bid document.

Best Regards
